to sew on the line. Now sometimes when you are sewing on the line and you get to the intersection here, it wants to put like a little tuck in it. So when you are getting close to that, you might want to put your needle down, and you might want to adjust some of that fabric. I don't think that I am going to have a problem here but that is just in case you have a problem- so you know what to do.

Now I am finishing off here. Sometimes these get misaligned so I want to pull it over just a little. This quilt is very forgiving, so if you are off a little, that's okay. And before I sew, finish sewing, I like to put my follower in here, and I am just going to clip that off and clip this one.

So now I have completed sewing one of these squares with an X.
