

The String Quilt

Start with a sheet of paper 8 1/2" by 11". Place center strip and next strip over with RST. Sew and press. Continue till all strips cover paper. Trim excess on sides.

To make a diamond pattern with your blocks, you will need to make 1/2 of your blocks with a NW/SE direction and the other 1/2 with a NE/SW direction.

You might want to add more strips for a different look. (Might be best to put limit levels on strips - for ex. "at least 8 but no more than 15".) For more info about strip piecing check out the FREE videos below:
