

# Paper Piecing

Use a neutral colored thread.

Use a larger needle to better perforate paper.

Use a shorter stitch length to better perforate paper.

1. Always PRESS fabric before sewing.
2. Fold line between 1 & 2.
3. Place Fabric #1 on back of pattern with right side up and wrong side down.
4. Pin and hold up to light.
5. Fold paper back and trim seam to 1/4"
6. Cut Fabric #2 - place on back of pattern- (over #2 spot)
7. Fabric # 2 - right side over last fabric(s) sewn.
8. Pin on sew line between (1 & 2).
9. Hold up to light & check if it covers.
10. Sew on black line (between 1 & 2)
11. PRESS
12. Fold line between Fabric #2 & #3.
13. Repeat from 5 above with each additional fabric.
14. Trim around the edge.
15. Gently tear off paper.
