Press all fabric BEFORE cutting. Recommendation: watch video & look over all pages of directions.

Cut 25 - 7" by 8" Background Rectangles (use template to double check cutting)

Cut 25 - 5" Corner Squares; Press or draw the diagonal for each square (use template to check)

1. Place one square in right hand corner of one rectangle (right sides together).
2. Stitch on the diagonal.
3. Trim excess triangles. (Save these for another project!)
4. Press square to corner. Repeat with rest of rectangles/squares.

Lay out your blocks. Using a 1/4" seam, sew together each row and then press each rows seams in opposite directions to help with matching intersections.

Match and sew 5 rows together.
