

6" Rectangles Block (pg. 1)

This is a blackline master of the quilt block that you can color in before fabric selection. On page 2 you will find written directions for rotary cutting and sewing. If you decide to use templates, you will find these on page 3 along with graphic instructions.

VIDEOS: For more information about sewing this block see **Beginner Basics**. You can learn how to make templates to cut out your block (**Creating a Pattern**) OR how to rotary cut pieces (**Cutting Fabric**). Info about sewing and matching seams can be found under **Sewing**.
