

6" Shoo Fly Block (pg. 2)

VIDEO: Beginner Basics - "Cutting Fabric" - "Making Half Square Triangles Using Your Rotary Cutter"

Cut 1 - 2 1/2" square (center piece) (Rule: add 1/2" for seam allowance)

Cut 4 - 2 1/2" squares (squares in middle of each side)

Cut 2 - 2 7/8" squares then cut on the diagonal (triangles) (RULE: finished size plus 7/8")

Cut 2 - 2 7/8" squares then cut on the diagonal (triangles)

Sew four sets of triangles together with 1/4" seams to form 2 1/2" squares. Press to the dark.

Arrange your squares to reflect the pattern. Sew each row together.

Press each row's seams in opposite directions.

Sew top row to middle matching seams.

Sew above section to the bottom.
