

Adding Borders

Write down the **Desired Quilt Size**. _____ (length) x _____ (width)

Measure the **Quilt Top**. _____ (length) x _____ (width)

Subtract the lengths and widths.

_____ (length) - _____ (length) = _____ **Total Extra Length**

_____ (width) - _____ (width) = _____ **Total Extra Width**

Horizontal Borders - Divide **Total Extra Length** by 2, then add 1/2".

_____ / 2 + 1/2 = _____

This will be the **New Length**.

Cut 2 @ **Quilt Top Width** x **New Length**

Vertical Borders - Divide **Total Extra Width** by 2, then add 1/2".

_____ / 2 + 1/2 = _____

This will be the **New Width**.

Add 1/2" to **Desired Quilt Top Length**. _____ (w/seams)

Cut 2 @ **Desired Quilt Top Length (w/seams)** x **New Width**
