

Paper Piecing HST (Half Square Triangles)

Use a neutral colored thread.

Use a larger needle to better perforate paper.

Use a shorter stitch length to better perforate paper.

1. Always PRESS fabric before sewing.
2. Fold line between 1 & 2.
3. Place Fabric #1 on back of pattern with right side up and wrong side down.
4. Pin and hold up to light.
5. Cut Fabric #2 - place on back of pattern- (over #2 spot) (Trim?)
6. Fabric # 2 - right side over last fabric sewn.
7. Pin on sew line between (1 & 2).
8. Hold up to light & check if it covers.
9. Sew on black line (between 1 & 2)
10. Trim & press
11. Fold line between Fabric #2 & #3.
12. Repeat from 5 above with each additional fabric.
13. Trim around the edge.
14. Gently tear off paper.
