

The String Quilt Supply List

These supplies are for a **51" by 66" quilt** using **36 - 8 ½" by 11"** blocks. See **LearnHowToQuilt.com – Quilting Classes – The String Quilt** for this FREE series. You might decide to make your quilt larger or smaller based on the size of your foundation and the number of blocks used. This large project is more difficult to sandwich together and quilt. I would advise beginners to make a smaller size quilt (maybe 20 blocks; 51" by 44"; 34" by 66") -or send out the larger size to be quilted by a professional quilter.

Fabric – assorted **strips 1" to 4"** of **100% cotton**. In order to get the “diamond” design, you will need to place a darker strip on the center diagonal.

Dark Fabric – **1 yard to 1 1/2 yards** for 36 strips at least 15 inches long. I cut my strips 3 to 4 inches wide by 44" long. I could get about 3 strips from each long cut. (I used assorted “darks” for the center. When added up, the amount of fabric used was about 1 1/2 yards.)

Medium Fabrics - **2 yards** for 36 strips at least 14 inches long and 36 strips at least 10 inches long. I cut my strips 3 to 4 inches wide by 44" long. (I used assorted “mediums” throughout the quilt. When added up, the amount of fabric used was about 2 yards.)

Light Fabrics - **2 yards** for 36 strips at least 14 inches long and 36 strips at least 10 inches long. I cut my strips 3 to 4 inches wide by 44" long. (I used assorted “mediums” throughout the quilt. When added up, the amount of fabric used was about 2 yards.)

Backing Fabric – **1 3/4 yards of 108"wide** quilt backing fabric (includes extra 10" on each edge for sending out for longarm quilting) **or 3 ½ yards of 44/45" fabric** (includes extra 10" on each edge for sending out for longarm quilting).

Batting - **1 3/4 yards of 108"wide**

Binding – **½ yard** (or use leftovers from backing fabric)

Foundations – 36 sheets

Thread – neutral color

Pins

Rotary ruler, cutter and mat

Scissors

Sewing Machine in good working order
